

Charity Application Information

Please find below a list of the information you need to provide in your application. This is the information we use to assess your application, and also how we create marketing assets should you be successful. It is important to have all of the information ready before applying as you cannot change this once you have submitted it.

- Name of charity or community group
- Charity number if applicable
- Description of charity/community group
- Images of the products you wish to sell
- Information about the products
- Photo of your logo
- Full name of the applicant
- Contact Email address and secondary email address
- Telephone number of the organisation
- Postcode of organisation
- Website link (if applicable)
- Social media links (if applicable)
- Dates in which you are available (between Thursday 27th November and Sunday 14th December)
- Current Public Liability Insurance certificate (£5million minimum)
